

Welcome, and a very Happy New Year to you all!

Let us kick start 2016 with high levels of enthusiasm and continued commitment. All training sessions are now back to the normal hours and timings as we return from the Christmas break. If you know of somebody who has a passion for the game and the commitment to succeed be sure to point them in our direction. Embracing the opportunities from SSA and using the New Year to try something exciting and new.

NEW APP LAUNCHED

We have a new parent friendly app available for both iPhone and Android compatible devices. Our great new app can be used for:

- Payments
- Session tracking
- Push notifications for changes to schedule (inclement weather)
- Selecting and booking 1-2-1's
- Whatsapp chat function (enabling feedback)

This app development has been established to make communication and the functionality of the programme more efficient.

Look out for the App launch in the next two weeks!

NEW WEBSITE LAUNCHED

We are excited to announce the launch our new website, a platform to see our philosophical pathway for our players, coaches and the exit routes we offer.

The website launch is an excellent way for you to see how your child is progressing throughout our pathway, by maybe seeing your child perform their latest skill or reading their player profiles. This has been possible due to the sponsorship of The Loft Conversion Company and we are extremely grateful to have them on board with their full support of our programme.

Check out the new site at www.portsmouthfootballpathway.com

Brand new innovative reviews for players

We strive to support our players in every way possible and tracking your child's progress is key to maintaining the high standards and expectations of our programme.

Our brand new innovative reviews for our players contain unrivalled feedback on your child's progress. Ensuring all feedback is linked to our syllabus and the four-corner model of player development. We believe this is a unique service on offer from SSA outside of professional academies.

New Scholar Sessions

Coming soon are our new Scholar Sessions, giving a pre-selected group of 8-12 players who are close to making the leap to an Academy or Development centre football an enjoyable opportunity to train with our Technical Director Simon. Running every Tuesday.
